UNITED STATES PATENT OFFICE.

JOHN G. LANE AND WILLIAM J. LANE, OF MILLBROOK, NEW YORK.

DESIGN FOR THE FRAME OR STAND OF GRINDING-MILLS.

Specification forming part of Design No. **7,022**, dated December 9, 1873; application filed August 4, 1873.
[Term of Patent 14 years.]

To all whom it may concern:

Be it known that we, JOHN G. LANE and WILLIAM J. LANE, of Millbrook, in the county of Dutchess and State of New York, have invented a Design for Grinding-Mill, of which the following is a specification:

The accompanying photographic illustration is a perspective view of a grinding-mill constructed according to our design, which consists of the standards A with the oval openings B, shield-shaped openings C, the openings D at the top, and the small ones E at the

bottom, together with the flanges F surrounding said openings; also the flanges at the outer edges of the standards and the cross-bars.

What we claim as our invention is—

The design for the standard A of the frame of a grinding-mill, substantially as set forth and shown.

JOHN G. LANE.
WILLIAM J. LANE.
